

# COST SIMPLIFIED

Making full-scale, integrated telemedicine technology possible - without a large capital expenditure.

## STATION + PERIPHERALS + SOFTWARE

Choose your delivery method:

CAS Lite \$1,164/ mo

Transportable Exam Station  
\$1,171/ mo

WallDoc® \$1,267/ mo

TotalExam®3

TotalVitals®

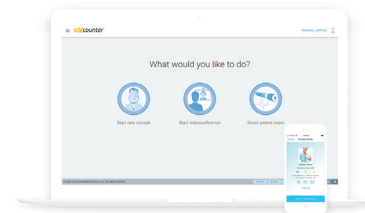

RNK-USB

Three of our most popular connected devices are included with your plan:

**TotalExam® 3** for capturing high-definition images.

**TotalVitals®** for continuous patient monitoring.

**RNK-USB** stethoscope to transmit auscultation data.

eNcounter® ClearSteth®

All stations are powered by our cutting-edge eNcounter® telehealth software which allows for completely customized workflows, multiway video consults, cloud-based information storage, and more. We also provide you with our ClearSteth® software, an intuitive interface for clear and fast teleauscultation. Combined with the RNK-USB stethoscope, it supports remote sharing of high quality heart, lung, and body sounds.

Multiple components and configurations available.

A complete telemedicine solution starting at just \$783 a month.\* Learn more at [globalmed.com/cost-simplified](http://globalmed.com/cost-simplified)

\*Initial setup fee may apply. Prices are based on a 36-month rental agreement. Terms of 12 and 24 months with varying prices are also available.
